Paul Lewis Joern

March 25, 1967 – June 7, 2010

Thank you for your participation in tribute
to a loved one touched by cancer.

Paul Joern was an avid tri-athlete who was diagnosed with melanoma at the age of 41. During his treatment, he learned that melanoma is a difficult cancer with a myriad of not-so-effective treatments.

The Tri-4 Your Cure Organization has been created to fulfill Paul Joern’s vision of helping others that have been affected by melanoma. Through fundraising for cancer research and financial support to cancer patients, the Tri-4 Your Cure Organization strives to perpetuate the courage and fortitude that Paul exemplified, and honor the inspiration he has been to his family and those that have been blessed to know him.

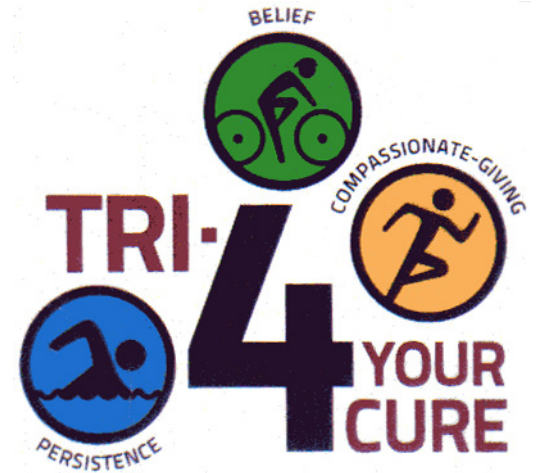

To further the Tri-4 Your Cure goals, the organization has selected Angel Foundation as a partner for the 2018 Tri-4 Your Cure Golf Classic. Angel Foundation provides emergency financial assistance and support to adults living with cancer and their families. Since 2010, Tri-4 Your Cure has raised more than \$175,000. All proceeds from the 2018 Tri-4 Your Cure Golf Classic will be donated to Angel Foundation and toward melanoma research.

“I hope that my life and the way I continue to fight, believe, and pray, will be an inspiration for others.”
